### Protection

Featuring a wider brim for increased protection from elements workers face every day including rain, dust, snow, and harmful ultraviolet (UV) rays, the C35 now comes with accessory slots for on-the-job face protection.

### Comfort

The C35 offers 12.5% more interior space for added comfort and ventilation. The model is equipped with Bullard's six-point self-sizing pinlock or Flex-Gear® ratchet suspensions for a truly customized and comfortable fit.

### Accessorize

Add face and sun protection accessories to your C35 for added protection from the sun's rays and workplace debris.

### Versatility

The Classic C35 is available in all Bullard standard colors and can be customized with striping and logos.

### Delivery

Bullard offers the quickest delivery in the industry.

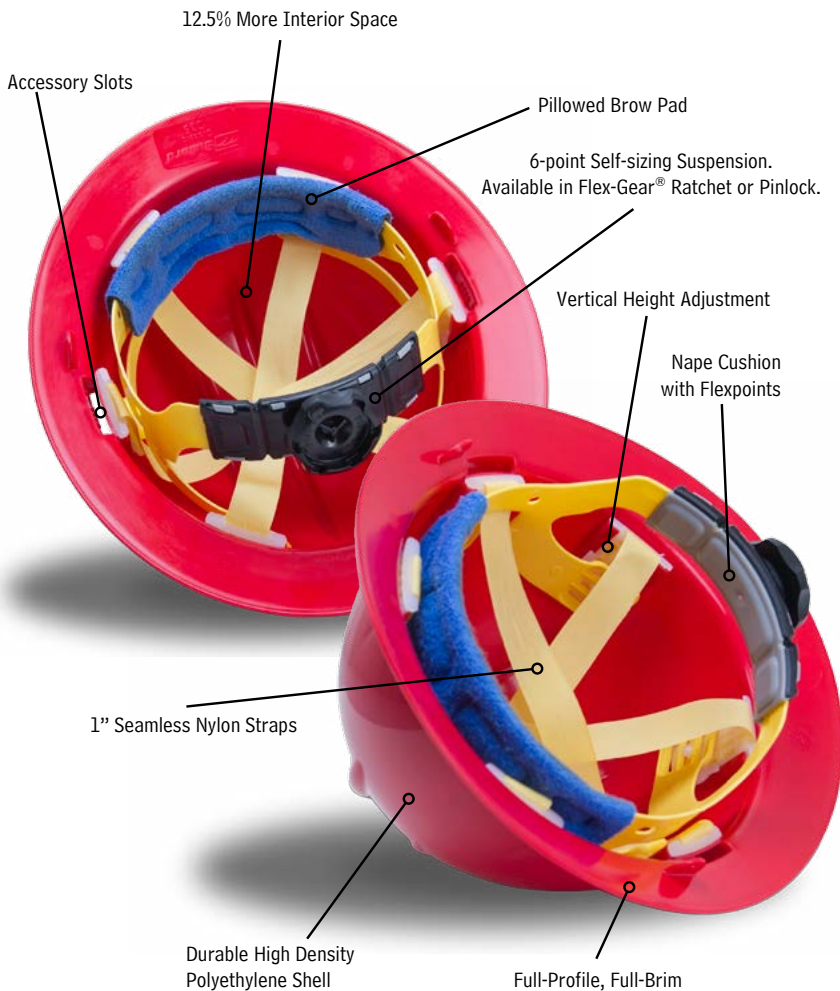

## The Classic C35

Added comfort and superior protection in an extra-large design make the Classic C35 the perfect choice for workers. The C35 model meets or exceeds ANSI/ISEA Z89.1, Type I, Class E&G requirements.
