

Classic C35

Bid Specs

Bid Summary: The Bullard C35 Model is an Extra-Large Full-Brim Hard Hat with accessory slots offered with the option of a pinlock or ratchet suspension. Both options feature a replaceable cotton brow pad. The suspension system has six points of attachment with six separate keys for a secure fit and 1" wide seamless crown straps for comfort. This hard hat is designed to fit all head sizes including the upper size percentile.

Specific Features:

- Designed to fit all head sizes.
- Offers more air flow due to the 12.5% interior volume, along with an optimized balance.
- Full-Brim hat style helps protect against splash, glare and sun exposure.
- Accommodates slot-mounted accessories.
- Your choice of either the self-sizing 6-point pinlock suspension (RS6PC) or 6-point dielectric, Flex-Gear® ratchet suspension (RS6RC). The 6-point suspension system provides a comfortable, secure fit and allows for the distribution of energy over three seamless crossed straps attached at 6 points.
- Pinlock suspension – Incremental sizing of 1/16" hat size (5mm) makes a secure fit easy.
- Pinlock suspension – Vertical adjustment capability (two in front, two in side, three in rear) for a secure fit to different head sizes.
- Pinlock suspension – Size adjustments allow the headband to be centered inside the shell for better balance and comfort.
- Ratchet suspension – Ratchet suspensions can be adjusted between hat sizes 6 1/2" - 8".
- Ratchet suspension – Vertical adjustment capability (two in front, two in side, three in rear) for a secure fit to different head sizes.
- Wide (1") seamless crown straps provide more comfort and helps the suspension system absorb energy. The round, wide crown area also allows for good ventilation.
- Replaceable cotton brow pad is comfortable and cools by pulling moisture away from the skin.
- Pad print capability in up to eight different locations on the hat – logos may have up to six colors per location.
- Two-year warranty.
- Distinctive Three-Rib trademark.
- Made in the USA.
